AKC Delegate

- o **Motion** 20170330.01 by Whit. The AKC Delegate guidelines be modified to delete "the entire membership, not just" from the guidelines statement "The Delegate should consult the entire membership, not just the Board, regarding decisions that have an effect on our members." So the new sentence will read, "The Delegate should consult the Board regarding decisions that have an effect on our members." Passed.

AKC Sportsmanship - **no report**

Awards and Trophies - no comments

Breed Mentor

In past years all the Breed mentors names were listed in the directory. This year they were not. Val will follow up to make sure they are all included next year. Bob asked if there was any mention on the report of consolidating with Breeder Judges' Education. Val indicated we will need to address this when we work on the Breeder Judges' Education committee guidelines. Kathy Lee mentioned that this committee does get questions for the other committee and refers them on.

Bulletin Advisor - no comments

Bulletin Editor

+The Board agreed with the committee suggestion to use a single email address so both editors get all information. Amy suggested that a google group may work better than a single email address. We will also request that they use this address for outgoing emails.

+The Board will send the editors a list of time sensitive items that are to be published in the Bulletin, and when they may be due in the member's hands. The Board will request that with this information the editors present a revised schedule of submission and printing dates.

+The Editors need to reference the prior year financial report so they can provide anticipated income & expenses in their annual report.

+Val will communicate all these items to the editors.

Continuous Membership

Continuous Membership & Membership have been combined. Val noted that the 15 year certificate has already been replaced with a pin and the guidelines have been updated.

Disaster Preparedness

The Board agreed the guidelines should be updated to include "The committee should be chaired by a member of the Board of Directors."

Futurity - no comment

AKC Gazette Columnist

Board agreed to the chair's request to use photos from Judges Education in the AKC Gazette Column.

GPCA Cares

Board agreed to add "The committee should be chaired by a member of the Board of Directors." to the guidelines.

Hall of Fame

Per the chair's request, Val will change the words "ceremony" and "banquet" in the guidelines to "presentation". The website has been updated to indicate Hall of Fame entrants through 2015.

Health

The Committee needs a representative for 2017. Bob indicated that Flo said she would be interested.

Passed

It was suggested that the committee can put an ad in the Bulletin each quarter with some of the requirements. The affiliates can copy the ads to put it in their newsletters. Possibly the requirements could be posted on the website.

Social Media - Deferred to the April Board meetings

Stud Book

Board questioned what value we get from this. Bob will ask AKC if this information is available on an occasion by occasion basis instead of a continuous subscription. Val will find out how much we are currently paying.

Title Holders – no comments

Top Twenty

Whit asked where the money from Top Twenty goes. We believe it goes to the National Specialty fund. Karen indicated that it went into the National Specialty fund last year. Val will ask Judy Brown to confirm and request that the Top Twenty be a separate line item/accounting.

Versatility

+The Board's consensus was that providing materials, dogs, people etc... for the test is the responsibility of the committee and tester.

+Kathy Lee made a motion regarding rosettes and withdrew the motion. We tabled discussion on ordering rosettes for the draft test along with the National Specialty rosettes until the April meetings.

Webmaster

- +Discussion about posting National Specialty results to the website and photos.
- o **Motion** 20170330.04 by Val second by Bob "Eliminate reference to specific websites in the Webmaster guidelines." Passed

Bob said he would contact AKC and get back to the Board.
- There was some discussion regarding the Top Twenty this year. Winners will be announced that night and tickets will be available at the door.
- Laurie will bring a copy of a photographer's contract to the April meetings for review.

Continuous membership

Claire Leishman will be a member of the GPCA 55 years. There was discussion on how we should commemorate this achievement. Whit suggested that we include a "Celebration" page in the front catalog listing everyone that has achieved 55 years. It is too late for this year but maybe going forward. Bob & Whit both indicated that they think we should have a 55 year pin. The board came to a consensus on how we would honor Claire.
