Disaster Response Committee

With the wild fire's in many states, hurricane season, and Covid-19:

The Disaster Response Committee, as well as the Board of Directors, wanted to check in on you and let you know we will help you any way we can. For help, please contact Committee member Laurie Gottschalk at ph. 815-234-8042/email gottpyrs@comcast.net or the GPCA Secretary, Ellie Schultz at ph. 419-575-7007/email gpcasecretary@gmail.com.

Please contact us if you need help and include specifically the help needed. If you are in a safe place, please let us know if you are able to assist other less fortunate members, with space for dogs or displaced members, so we can pass on the information.

Again, please reach out if we can help. Our thoughts and prayers are with you.

Sincerely,

Linda Whisenhunt, Chairman
